

HELLO HOBOKEN!

Support Hoboken's Youth

All Stars Project of New Jersey has been operating since 1999 in Newark and Jersey City, and now we're expanding our core program, the [Development School for Youth \(DSY\)](#), to Hoboken High School!

The DSY is a 10-week leadership training program where underserved young people ages 16- 21 learn to perform as professionals. Through partnerships with business leaders, DSY participants gain valuable exposure to the corporate world by engaging in development workshops, networking opportunities, and real-world professional experiences.

Once students complete the DSY program, they are eligible for a 6-week internship at leading NYC & NJ companies. If your company is interested in learning more or participating in Summer 2025 – learn more [here](#).

Join us on February 28th for a special cocktail reception hosted by All Stars board member Courtney Mulligan and Special Guest, John Fuda, to discover how you and your organization can get involved.
