Investing in Bay Area Youth. Inspiring National Impact

The Fall Benefit & Golf Classic is more than a golf tournament and reception—it's an opportunity to come together as a community to celebrate Bay Area young people and the partnerships that help them thrive. **Join us for golf, the reception, or both.**

EXPANDING WHAT'S POSSIBLE

Through Building Bridges Across the Bay, young people participate in corporate and cultural workshops that introduce them to new environments, new caring adults, and new possibilities for their future. By stepping into workplaces, museums, theatres, and community spaces, they begin to see that these opportunities belong to them.

390
Bay Area Youth Participated in All Stars Programming This Year

BUILDING MEANINGFUL CONNECTIONS

Development Coaching pairs young people with caring adult volunteers who serve as thought partners, encouragers, and role models. Together, they build confidence, communication skills, and lasting relationships that support young people as they pursue their goals.

BECOMING ALL STARS

The journey doesn't end when a program does. This year, San Francisco will host the inaugural Becoming All Stars Summit, bringing together alumni from across the country to strengthen professional networks, celebrate leadership, and invest in alumni-led ideas that create opportunity in communities nationwide.

More than 6,900 All Stars alumni are leading in workplaces and communities nationwide!

Your support extends far beyond one day on the golf course.

Every sponsorship, foursome, and ticket helps create transformative experiences for Bay Area young people today while investing in the next generation of leaders and the future of the All Stars Project nationwide.
